Commercial Law Concentrate Sep 21 2022 Commercial Law Concentrate

is written and designed to help you succeed. Written by experts and covering all key topics, Concentrate guides go above and beyond, not only consolidating your learning but focusing your revision and maximising your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... "I am hugely impressed by this little textbook on the substance: it does a better and clearer job at explaining key issues than many of the core texts. - Dr Eleni Frantziou, Associate Professor in Public Law & Human Rights, Durham University "The Concentrate books are my favourite revision guides as the quality of the information is always more comprehensive than others." Carly Hatchard, law student, University of Bolton "This revision guide is excellent ... I would certainly recommend it as a revision aid" - Claudia Carr, Principal Lecturer, Hertfordshire Law School, University of Hertfordshire "The Concentrate structure is extremely good, it makes it so much easier to revise ... no key information is left out, it's a great series." Emma Wainwright, law student, Oxford Brookes University "A really good overview of the key themes, tensions, and debates ... encourages students to go that bit further to increase their chances of scoring better in the assessment." - Professor Nicola Glover-Thomas, Professor of Law, University of Manchester "I have always used OUP revision and Q&A books and genuinely believe they have helped me get

better grades" - Anthony Poole, law student, Swansea University

"Undoubtedly a good resource ... I would certainly recommend it as additional material for modules assessed by examination." - Dr Ben Stanford, School of Law, Liverpool John Moores University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level" - Stephanie Lomas, law student, University of Central Lancashire Take it online: The 6th edition is available in paperback, or e-book and is supported by extensive online resources to take your learning further. Visit www.oup.com/lawrevision/ for expert revision and study advice, self-test questions and answers, flashcard key cases and glossary and outline answers to questions from the book.

Commercial and Cyber Fraud: A Legal Guide to Justice for Businesses Aug 28 2020 It is estimated that there are over five million incidents of fraud and two million cyber-related crimes committed annually in the UK costing approximately £193 billion with organisations losing £183 billion per year. Aimed at business directors, business owners, in-house lawyers and managers, forensic accountants and non-UK lawyers, Commercial

and Cyber Fraud: A Legal Guide to Justice for Businesses sets out the legal process, from discovery of the crime and consideration of options, through engaging lawyers, early interventions to secure assets in the hands of fraudsters and culminating in sections on legal rights and processes, including court trials. This new title: - Arms victims of business fraud with valuable information that will enable them to make confident and wise choices in their pursuit of justice right from the first discovery of commercial fraud or cyber fraud - Sets out both the civil and criminal court options for victims - Includes detailed guidance on how to choose, use and pay for lawyers - Explains strategic imperatives, the relative merits of the different justice options and the hurdles that might have to be overcome - Includes case studies and quotes from real victims of commercial and cyber fraud and insightful quotes from specialist fraud litigation lawyers - Contains an introduction to international fraud cases and cross-border laws

Commercial Project Management Mar 03 2021 Selling and delivering a project to a satisfied client, and making a profit, is a complex task. Project manager and author Robin Hornby believes this has been neglected by current standards and is poorly understood by professionals in the field. Commercial Project Management aims to rectify this deficiency. As a unique 'how-to' guide for project and business managers, it offers practical guidance, and a wealth of explanatory illustrations, useful techniques, proven checklists, real life examples, and case stories. It will give project managers a needed confidence boost and a head start in their demanding role as they go 'on contract'. At the heart of Robin's approach is a vendor sales and delivery lifecycle that provides a framework for business control of projects. Unique elements include the integration of buyer and vendor project lifecycles, the recasting of project management as a cyclic set of functions to lead the work of the project, and the elevation of risk assessment from a project toolkit to a fundamental control process. Beyond project management, the book proposes a comprehensive template for the firm whose business is delivering projects. This is a how-to book for project and business managers working in a commercial environment looking for practical guidance on conducting their projects and organizing their firm.

Selection and Application Guide to Commercial Intrusion Alarm Systems May 05 2021

Email and Commercial Correspondence Apr 16 2022 If you write emails and letters as part of your work, then this book is for you. By applying the suggested guidelines, you will stand a much greater chance of getting the desired reply to your emails in the shortest time possible. Some of the key guidelines covered include: Write meaningful subject lines - otherwise recipients may not even open your mail. Always put the most important point in the first line - otherwise the reader may not read it. Be concise and only mention what is truly relevant. Write the minimum amount possible - you will also make fewer mistakes! Be a little

too formal than too informal - you don't want to offend anyone. If you have two long important things to say, say them in separate emails. Give clear instructions and reasonable deadlines. If you need people to cooperate with you, it is essential to highlight the benefits for them of cooperating with you. Empathize with your recipient's busy workload. Never translate typical phrases literally - learn equivalent phrases. The book concludes with a chapter of useful phrases. There is also a brief introduction for trainers on how to teach Business / Commercial English.

Guide to Business Information on Central and Eastern Europe Aug 08 2021 This guide is an introduction to English language sources, in electronic and print form, dealing with Central and Eastern European business issues. It gives evaluative descriptions and costs of all listed sources, concentrating on recent sources. Sources of information on some of these countries can be difficult to locate, and the author gives guidance on how to go about finding them. Covers: Albania; Bosnia-Herzegovina; Bulgaria; Croatia; Czech Republic; Hungary; Macedonia; Poland; Romania; Serbia and Montenegro; Slovakia; Slovenia.

Contract and Commercial Management - The Operational Guide Sep 09 2021 Almost 80% of CEOs say that their organization must get better at managing external relationships. According to The Economist, one of the major reasons why so many relationships end in disappointment is that most organizations 'are not very good at contracting'. This ground-breaking title from leading authority IACCM (International Association for Contract and Commercial Management) represents the collective wisdom and experience of Contract, Legal and Commercial experts from some of the world's leading companies to define how to partner for performance. This practical guidance is designed to support practitioners through the contract lifecycle and to give both supply and buy perspectives, leading to a more consistent approach and language that supports greater efficiency and

effectiveness. Within the five phases described in this book (Initiate, Bid, Development, Negotiate and Manage), readers will find invaluable guidance on the whole lifecycle with insights to finance, law and negotiation, together with dispute resolution, change control and risk management. This title is the official IACCM operational guidance and fully supports and aligns with the course modules for Certification.
